

Rheology of Soft Matter

High internal degrees of freedom

Non linear Rheology \Leftrightarrow Non equilibrium Structure

Rheology of **uniform** system

- Doi, Edwards (1978)

Rheology of **non-uniform** system

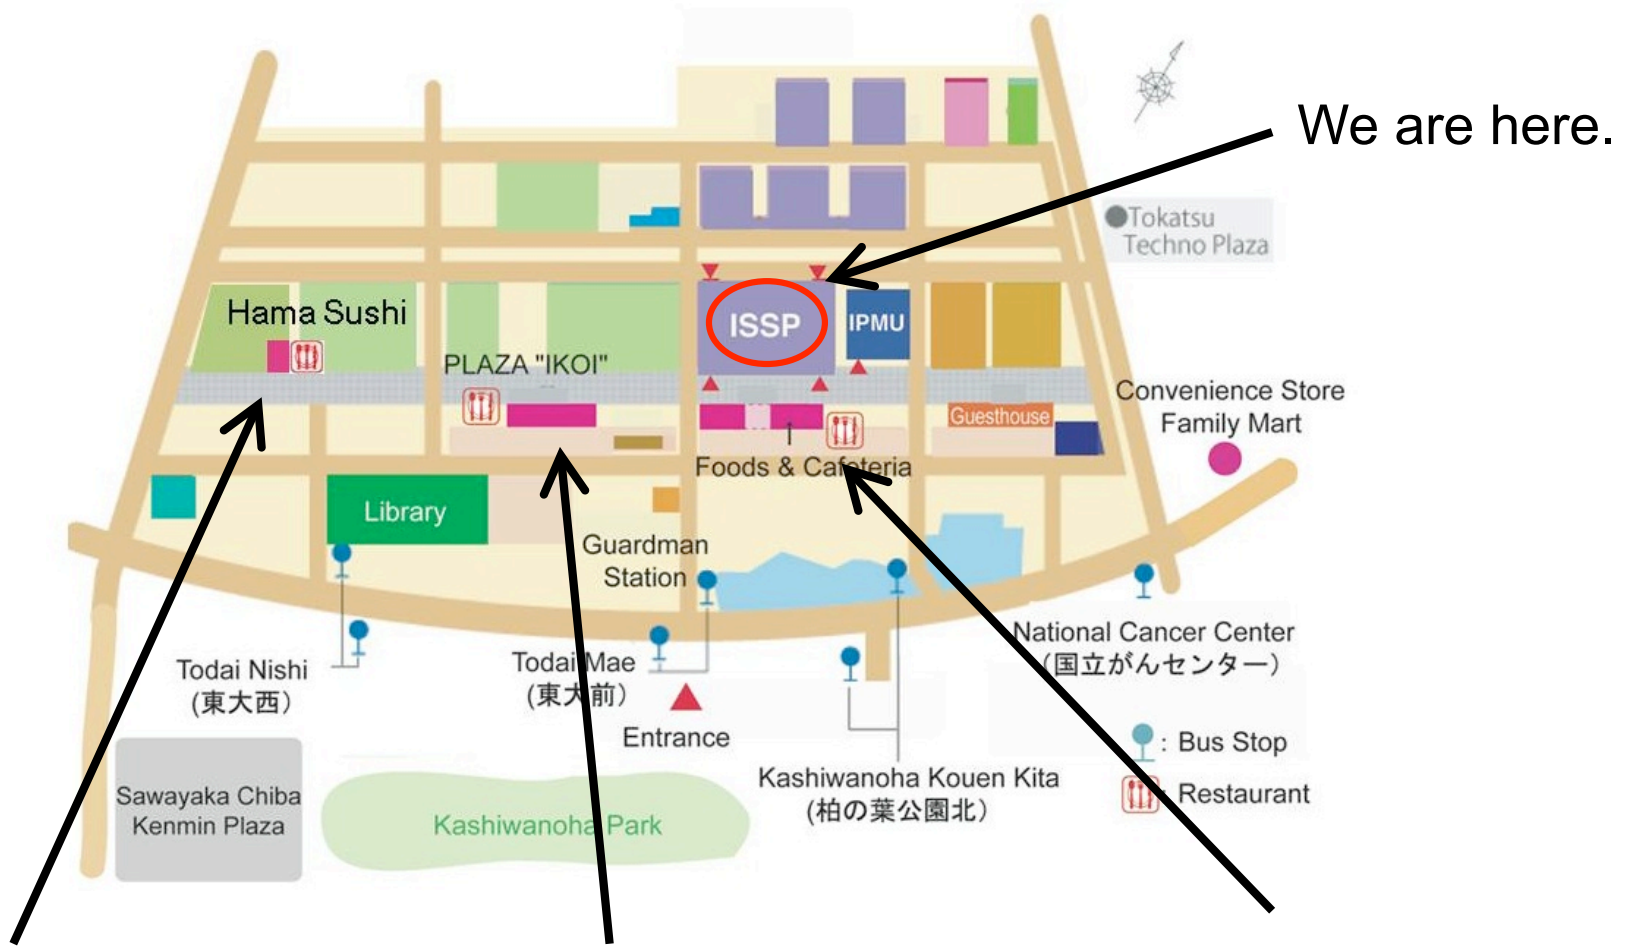

- deformation, flow, destruction of meso-structures
- non-equilibrium soft matter
- **“Structural Rheology”**

Announcement

- Oral:
60 min: 50 min talk + 10 min discussion
30 min: 25 min talk + 5 min discussion
- Poster:
Please put your poster on a poster board in the corridor.
